Rotation adapter USB 2.0-A male > USB mini male

Description

This adapter by Delock enables you to connect different USB mini devices to a standard USB female port of your computer. Due to the rotation function you can position your USB device to any direction. Thus this adapter is most suitable when your existing USB port is difficult to access.

Ref.	65259
EAN	4043619652594
Country of origin	China
